1. As you will know, I am currently holding this examination of the neighbourhood plan in abeyance, as I am awaiting the closing of the additional public consultation period relating to the possible residential allocation of the site at the eastern side of the village, which closes on 16th August 2018.
2. In the meantime, I would be pleased to hear separately, the views of the LPA as to whether the judgement of the European Court, in respect of the case of People Over Wind and Peter Sweetman v Coillte Teoranta, has affected the Council's views on the adequacy of the HRA screening in respect of the Chalgrove Neighbourhood Plan.
3. I will await this information and any possible rescreening of the plan before issuing my final report.
4. I am sending this note to the Parish Council for its information and also request that it be placed on the appropriate website.
